

Murphy Builders of Ontario Meeting Notice

It's that time again !!!

The next **Rebel Builders of Ontario Meeting** is **Sunday, March 8th, at 1:15 pm.** at the **RAA-TR Clubhouse** at the north end of Brampton Airport. (North-West of Toronto, Ontario, Canada) (CNC3)

*** Note the START TIME !! There's going to be a LOT of interesting stuff to cover, so.....

We will start at 1:15 , and try to finish about 4:00 -- to make things easier for those who fly in, or drive in from long distances ...

Bring those 'tech support questions' ! and your GPS for 'show 'n tell' – tell why you chose it ...

YES ! We're going to try the GPS thing again !!

We'll be in the clubhouse again, - the fireplace is verrrry warm & comfortable !

You don't want to miss all the fun, so **PLEASE BE HERE for 1:00 !**

We're going to continue the 'kit type' forum format for this meeting, with Q & A. These forums are short 'mini-seminars' on the different kits.

Ken has kindly become leader of the Rebel forum, and he always brings new and interesting information & gadgets.

He <may> bring his "**Rebel Rubber Ducky**" to the meeting again.

We're hoping he will also lead the 'Show 'n Tell discussion on GPS units – Why you chose that one – your likes & dislikes

We're still looking for experienced builders to volunteer to lead the sessions for the Moose, Elite, etc., ideally on a regular basis for all future meetings. Maybe our key Elite expert (AI) will make it to this meeting,

OR - we might even have a fly-in NEW Elite from Stoney Creek !! ;-)) We also hope to see some of the new Rebels in Ontario ...

There's room for a Maverick or Renegade section, too, if we have interest....

.....continued on page 2

Who will be recognized as the builder who has *"Made the Most Progress Since the Last Meeting" ??*

It's always a tough call, and now the building season is under way - so be here for the introductions & progress updates !! YOU could take home the **Copper Cleco Trophy** !

Mike Basic received it at the last meeting – he's really moving on his **O-360 Rebel** !

-- Who is next for this one ???

The trophies will be back,

..... so we can award one to YOU this time -

- IF you've been busy rivetting ! ;-)

Lots of news ! Come learn the latest on the NEXT **Rebel Ramble**, and what's new at the factory !

We REALLY hope the weather will be good, so we can see a bunch of "**Fly-In**" **Rebels**/Elites/Meeses/whatevers !! The weather can be iffy at this time of year, but we still hope to get a good turnout.

Don't take chances if it's snowing -- better to DRIVE & arrive alive !! If you do drive, you can join us for pizza & beer afterward !! ;-)

We'll also have some new guests & builders, and another draw for Rebel crests, or some Rebel hats etc.

As last time, we'll have some useful software CDs to hand out at the end, for those suffering with/from Win-Doze ! :-)

Should be an interesting meeting ! Phone us for updates or directions - (905) 457-5238.

Hope to see you all there ! There is a lot of experience to share ...

Free coke, spring water, coffee & donuts, as usual - everyone welcome !

(Even if you don't have a Rebel <yet> !) ;-)

We'll have tea, muffins, bagels, cream cheese, & jam, too !!

.....bobb & Anna

p.s. We often go out for pizza & beer after the meeting - all welcome !

**** Better to get to THIS one if you can !! ** Next Meeting - not until Sunday, May 24th, 2009* !**

(*Moved for Mother's Day & Holiday)

The "**Rebel Ramble to Both Coasts**" is scheduled for **July 4th to 24th, 2009** - and **August 29th to Sept. 12th**

Mark your calendars now -register and come along for "The trip of a lifetime !" :-)

Last year was supposed to be the LAST Ramble - don't miss this one !

There MIGHT be one more More info at the meeting.
